## SEE.SENSE MOBILE APP

Search 'See.Sense' in  
the Apple App Store  
or Google Play Store  
& download our app.

## WHY DOWNLOAD THE APP?

So that you can:

-  Get low battery notifications
-  Receive theft alerts
-  Customise & control your lights
-  Share insights to make rides better
-  Send crash alerts to an emergency contact

## MAKING CYCLING BETTER

Opt in via the app to  
help create better  
cycling infrastructure  
for everyone by  
sharing your rides  
with your city's  
planners

By sharing your rides  
you will help make  
cycling in your  
city safer, more  
convenient and more  
enjoyable.

## HOW IT WORKS

Once you've  
connected your lights  
to our app, the  
technology within the  
lights can detect the  
road issues and poor  
conditions that you  
face on your journey.

Through See.Sense's  
app you're then able  
to share additional  
insights anonymously  
with city planners.

## SEE.SENSE ACE WARRANTY

Limeforge Ltd provides a warranty  
for ACE for 24 months from the  
original date of purchase by the  
original owner (proof of purchase  
required). This warranty covers  
parts and workmanship on the LED  
light housing, LED, mounting  
bracket and electronics but not  
normal wear and tear, improper  
installation, improper use,  
attempting to access the  
electronics, modifying the  
electronics, accidental damage, or  
damage or failure due to neglect.

If you need to make a claim on the  
warranty, then return ACE with your  
original receipt to the point of  
purchase. Do not attempt to  
disassemble ACE or to modify the  
electronics. Doing so will void this  
warranty.

## IMPORANT INFORMATION

Charge ACE fully before you use it  
for the first time. To maintain the  
battery's performance, charge ACE  
fully at least once a month.

ACE is IP67 rated under normal  
use, do not subject it to high  
pressure water jets or intentionally  
submerge it in water. In the unlikely  
event that moisture appears inside  
ACE turn it off and contact our  
customer service for guidance.

Clean ACE using a moistened cloth  
and mild detergent only. Do not  
use corrosives, solvents or  
abrasive materials to clean ACE.  
ACE uses extremely powerful LED's  
which can get hot with use.  
A thermal protection circuit  
temporarily reduces brightness if  
it approaches its thermal limits.

## PRODUCT WARNINGS

See.Sense ACE is a very bright  
light. Do not look directly at the  
light, or shine it directly at others.  
Keep it out of reach of children and  
pets. Staring into the light can  
cause serious injury. Use ACE with  
care at all times.

Carefully inspect ACE before every  
use. If you find any damage,  
corrosion, or leaking, turn it off and  
contact us for guidance.  
Do not disassemble ACE. Do not  
dispose of ACE in household  
waste. Do not incinerate ACE.

Limeforge Ltd do not warrant that  
ACE complies with all local traffic  
laws and regulations.  
Limeforge Ltd accepts no liability  
for any injuries or other damages  
arising from the use of this product  
in any circumstances.
